Conditions of Cover

- For you to have theft and hijack cover, you must ensure that all security devices noted are installed and always in full working condition.
- Theft and Hijack cover is conditional upon the vehicle having a MiWay approved stolen vehicle recovery service that is active, paid for and in full working condition at all times. This may be services by Tracker, Netstar or any SAIAS or VESA approved tracking companies.
- MiWay will provide you 3-working-days extension to have the MiWay approved stolen vehicle recovery device installed and service activated. It will remain your responsibility to ensure that you adhere to this requirement as you will have no theft and hijack cover if the service activation has not been done in the required period.
- Cover is conditional upon the inspection of the vehicle. The premium will be collected on the agreed date irrespective of whether confirmation of inspection has been received by MiWay. It is your responsibility to ensure the vehicle gets inspected as you will have no cover until that has been done.
- MiWay will give you a 48 hour extension, from the time that the vehicle leaves the dealer floor, to get the vehicle inspected.
